

My Credit Union Has My Back

“ When my credit union offered a way for me to protect my loan with **GAP**, I knew they were looking out for me. ”

The amount you owe on your vehicle and the amount it is worth usually take very different roads.

GAP will assist you in covering the distance between them.

An Example:

Your loan/lease payoff:	\$20,000
Vehicle value determined by primary insurance:	-\$16,000
Primary insurance deductible:	-\$500
<hr/>	
Your responsibility without GAP:	\$4,500
GAP will cover:	\$4,500
You owe after GAP*:	\$0

*Subject to certain exclusions and benefit limitations.
